Dear Mr. Chalk:

We're happy to send you extra copies of the March 31 Chronicle. You and the KRBC staff should be commended for "bravery above and beyond the call of broadcasting duty." At least, it's helped to jog the complacent minds of some Abileneans and made them think in other terms besides their ticky-tacky microcosms of smug self-assurance.

Life with TAC is challenging and at times overpowering, but thoroughly enjoyable. Hope you and your family can make it to Austin for a visit before heading to the land of peaches and Lester Mattox.

For Him,

Patty Benoit
